FCN Treaty

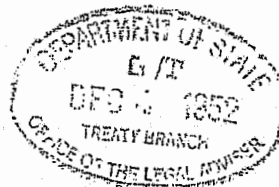

DEPTEL 1352 Nov 26.

Revision Art XVI, para 1, opens "During periods of emergency resulting in reduced availabilities of industrial raw materials". DEPTEL 1345 Nov 26 re protocol screening provision. As Dept aware FONOFF was informed that if screening considered re Art VII, it must be limited to initial investment and that natl treatment Art IX prevails after entry for capital. To avoid future misunderstanding, Emb suggests JG first be offered Dept proposal without words "and investment" or by adding "initial" before "investment". Will appreciate reply soonest.

Greatly appreciate Dept's prompt action and help previous FCN tels.
